

Molded Rubber & Polyurethane Products

ONE STOP SHOP FOR YOUR CUSTOM RUBBER & POLYURETHANE NEEDS.

We are one of the few companies that has the experience and capability to manufacture both custom molded Polyurethane and rubber products at the same facility. We are the leading manufacturer of custom molded Rubber and Polyurethane products. Our core focus began with various oilfield and marine Applications, but has grown to meet the needs of virtually every industry from manufacturing to food goods processing. We have over 40 years of experience in the industry. We have manufactured countless rubber and urethane parts and products used in many industries worldwide.
